DEDICATION

We, the Journalism class of 1977, would like to dedicate this years annual to a person whom we believe to be a most remarkable and truly wonderful person, Mrs. Maxine Hughes.

Mrs. Hughes, "Max", has always been to us more than just a teacher, she has been a leader, companion, and most importantly, a friend.

In the future, when we go our separate ways, and we look back upon our, actually, brief encounter with high school, we will remember this lady for her magnificent characteristics that captured our respect, friendship and love.

Honest, sincere, trustworthy, ingenious, ready to help and willing to listen, these are the qualities, the traits, of a genuinely great person. From the Journalism Class, and the school, we thank a genuinely great person for everything, Mrs. Maxine Hughes.

If a man does not make new acquaintance, as he
advances through life, he will soon find himself
left alone. A man, Sir, should keep his
friendship in constant repair.

Yes, we must ever be friends, and of all who
offer you friendship
Let me be ever the first, the truest, the nearest

There is no treasure the which may be compared
unto a faithful friend;
Gold soone decayeth, and worldly wealth con-
sumeth, and wasteth in the winde;
But love once planted in a perfect and pure
minde indureth weale and woe;
The frownes of fortune, come they never so un-
kinde, cannot the same overthrowe.

SPEECH TEAM

Sitting l to r: Lori Medina, Diane Montanez—President, Sandra Langren, and Michelle Marez—Secretary Standing l to r: Charlie Montanez, Steve Fosdick, Shayne Lane, Kim Johannes, and Sponsor Ken Kennard

The Crowley County Speech Team had its most successful year to date. Nine student earned letters: Charhe Montanez, Steve Fosdick, Lori Medina, Diane Montanez, Shayne Lane, Kim Johannes, Sandra Landgren, Michelle Marez, and Laura Torrez. Other persons earning certificates of participation were Belinda Baker, Wayne McGinty, Kay Jones, and Tom Perez.

The first activity of the team this year was to host the first Crowley County Invitational Meet. Nine schools participated in seven events. Individual award winners were given medals. The meet raised approximately \$80 for the team.

During the rest of the year, the team attended nine meets in all parts of the state. The schedule included two overnight trips, one in Colorado Springs, the second in Trinidad

Winning individual honors is a difficult task in forensics. In an average meet, there will be anywhere from 20—100 entries in a single event. This year, Crowley County had some winners. Steve Fosdick took first in Drama at Fowler and, in placing fifth at District, qualified for the State Tournament. Diane Montanez took fifth in Humor at Fowler and third in Humor at Rocky Ford. Shayne Lane and Lori Medina took first in Sr. Debate at Rocky Ford, Lori also took fourth in Poetry in that meet. Charhe Montanez took first in Humor and third in Drama at Rocky Ford.

The high point of the season came during the last meet at Rocky Ford. The team won Sweepstakes, or overall, Honors, defeating eight other A and AA schools. This was another first for CCHS.

STUDENT COUNCIL BANQUET

Nancy Hallmark Head Girl

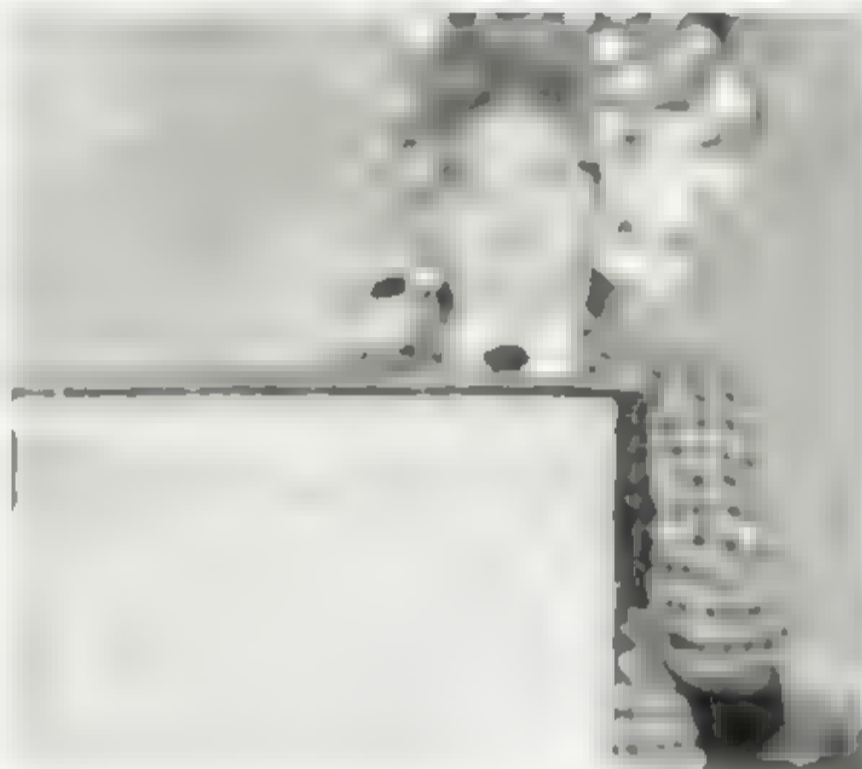

For the first year the Student Council held a banquet on Thursday, April 28th. Awards were given by Mr. Pat Bentley, Sponsor, Head Girl Nancy Hallmark, and Head Boy John Cordsen. Entertainment, guitar playing and singing, was given by Pam Butler.

CANDLELIGHT CEREMONY

It is better to light just one little candle
Than to stumble in the dark
Better far that you light just one little candle:
All you need's a tiny spark.
If we'd all say a prayer that the world would
be free,
The wonderful dawn of a new day we'd see,
And if everyone lit just one little candle
What a bright world this would be.
When the day is dark and dreary
And your way is hard to find,
Don't let your heart be weary
Just keep this thought in mind.

The guest speaker: Pastor Earl Hamilton

REFLECTIONS ON HIGH SCHOOL

Old times are gone now,
New times take their place.
Nothing left but memories,
A date, a name, a face.

Funny, don't you think?
You remember little things,
A quiet talk,
A lonely walk,
The way the lunch bell rings.

Little things like singing
On a crowded pep club bus.
The time you lost a friend
Just over a little fuss.

You remember the hurt,
And sometimes all the tears.
The hard times,
The bad times.
But it's the good things, the happy ones,
That will last through the years.

The memories will blur
The names will fade away
But the good times, the true friends,
These will always stay.

Mrs. Violet Mann

The Journalism class would like to take this opportunity to give recognition to a very special person, Mrs. Violet Mann.

Mrs. Mann was a special lady that touched not only our lives but the lives of many of our parents.

Mrs. Mann was born October 6, 1897 in Council Grove, Kansas. She grew up in Oklahoma and began her teaching career there, which lasted approximately 12 years, in a one room school. She received her BA at Adams State College in 1958, and was married to Horace (Slim) Mann, on June 7, 1935 at Crowley.

She began teaching in the Crowley County School system in Crowley in 1945. She taught fifth grade from then until her retirement in 1970, the next year she came out of retirement to teach one last year in the sixth grade. Her first graduating class was the class of 1953. She continued as a substitute until this spring.

Besides teaching Mrs. Mann was very active in many other areas. She served for 30 years as Crowley town clerk, was active in Crowley Community Baptist Church, member of Rebekah Lodge at Ordway, member of Colorado Education Association and of American Legion Auxiliary.

Throughout the years of knowing Mrs. Mann, many of us as well as our parents had grown to love her not only as a teacher but as a friend. You never missed seeing her warm, friendly smile at any school function. We will never forget her but will always cherish her memory with love.

Charger

The Blazon means:

The torch is for education. The atomic symbol is for science. The plow is for Agriculture. The winged foot for athletics. The chain links represent consolidation. The lyre is for music. The fess wavy symbolizes the Arkansas River. The "C" is for Crowley County, Colorado. The white Charger is the school mascot.

CHARGER FIGHT SONG

"All Hail to you, Crowley County.
Here's to the Red and to the White.
Go, Chargers, go.
We are behind you all the way.
So on with Chargers to victory.
We sing you praises everywhere.
Fight on and win this game.
For dear old Crowley County High!"
